Challenges

- Economic Slowdown:** Job losses, particularly in the unorganized sector.
- Issues related with large numbers of migrant workers** such as wage loss and uncertainty, cultural distress and severe migration.
- Hoax news and vague information** related to the containment of the virus are spreading on social media platforms creating panic.

Support needed

- The **money in India, the biggest economy** isn't sufficient. It's **less**.
- Women** were the most affected. **Domestic violence** is increasing. **Confidential and health issues**.
- Service centers** were the most neglected.

Coronavirus: This is not the last pandemic

- Pandemic refers to the large scale outbreak of a new infectious disease claiming many lives.
- The history of the term "Pandemic" dates back to 3000 B.C.
- In the realm of infectious diseases, a pandemic is the worst case scenario. When an epidemic spreads beyond a country's borders, that's when the disease officially becomes a pandemic.

Comparing COVID-19 to the Spanish flu of 1918

SAVE YOURSELF
 DON'T GET THE SPANISH FLU

Your Safety is Our Top Priority

Can we uninstall 2020, this version has a virus in it?

- COVID-19 is changing our world already – and in some ways, it looks set to get better.

Wishing for a healthy and bright future for everyone
