

## Workshop on Photo Frame Making

**'Creativity is Contagious, Pass it on' – Albert Einstein**

With this inspirational quote, the Department of Life Long Learning and Extension Unit organized one day workshop on 'Photo Frame Making' on 28<sup>th</sup> September 2021. It is essential to make students, especially girls stand on their own feet and become independent.

The Renowned resource person Mrs. Vidya Angolkar, Fevicryl Certified Expert teacher from Pidilite Company has conducted a workshop on online mode through the Google meet platform. Madam showed how to make a photo frame in a simpler manner. Students were asked to purchase materials required for the same. 93 students have joined the programme and 42 students have registered their names under this activity and made beautiful photo frames. All students received a participation certificate from Pidilite Industries Ltd. Students enjoyed the activities.

**Objective:** To inculcate entrepreneurship skill among the students.

**Outcome:** Learned to make photo frame and use same skill for their future career to start their own business.

## Workshop on 'Seedballs and Ecobricks Making' – Best Out of Waste

Everything in nature is cyclical. We also need to channelize the waste in cyclical form. Waste of one living being is wealth for another. Whatever is waste for us today is wealth for future generation. On this note, DLLE was organized a practical demo session on Seedballs making and Eco bricks making on 18<sup>th</sup> feb,2022 in Room no 307 at 9am to 10.30am.

The main aim was to organize a session to prepare seedballs from the seeds of fruits and vegetables as well as how to make Eco bricks out of plastic waste.

Ms. Rashmi Joshi, Environment consultant was the Resource person for the session. Madam, has elaborated how to use waste seeds of fruits and later used best of it. As the session was practical, madam shown how to make seedballs and Eco bricks from waste. Students also involved in practical work and made seedballs. Many of them were promised to madam, that they will themselves make seedballs and Eco bricks.

The session was interactive and interesting. All doubts were cleared by madam at the end of session asked by students. Total 45 students were participated and filled feedback form for the same.

**Objective** - To prepare seedballs from the seeds of fruits and vegetables as well as how to make Eco bricks out of plastic waste.

**Outcome** – Students were learn how to make seedballs of fruits and vegetables and also Eco bricks from plastic waste.

## Workshop on ‘Intellectual Property Rights’

“Ideas in your mind have no patent value. They must be expressed or reduced to practice before it is too late” — **Kalyan C. Kankanala, Fun IP, Fundamentals of Intellectual Property**

In today’s competitive era, it is essential to know about Intellectual Property Rights and how to get protected with these exclusive rights. It is necessary to inculcate the creative skill among the students. In this connection, a Workshop on Intellectual Property Rights was conducted on 22<sup>nd</sup> April, 2022 in virtual mode. The workshop was jointly organized by Department of Commerce and Accountancy and IQAC.

Dr. Manish Yadav, Assistant Professor of Law, Maharashtra National Law University, Nagpur was the renowned resource person who delivered guidance lecture on IPR. His presentation began with explaining the various aspects of Copyright. Sir discussed in detail about the topics like- ‘What is Copyright?’, ‘What do we mean by author or creator?’, Originality of Literary works and judicial decision. The session concluded with discussion on Trademark. His presentation was very informative as he cited interesting case studies.

Teachers from other Colleges and departments also participated in the workshop. 40 participants attended the Workshop. In short, the workshop provided valuable awareness and insight on various aspects of IPR. The session concluded with Vote of Thanks.
