

## Donation Drive

The Department of Lifelong Learning and Extension Unit this year also has organized a donation drive to extent cooperation to Self Esteem Foundation for Disabled, Airoli, NGO working for orphanage and disabled children. Every year, we organize number activities in collaboration, but this year due to Covid19 Pandemic, it could not be possible to organize and conduct activities at college campus. Therefore, on behalf of Excelssior Education Society's and Extension unit we provided groceries as a support and small contribution to NGO and made our drive successful.

## E-Waste Management

In the 20<sup>th</sup> century, the information and communication revolution has brought enormous changes in the way we organize our lives, rapid growth of technology, up gradation of technical innovation made human being dependent. The people can't survive without use of technology. Hence, the problem of massive amount of hazardous waste and other wastes generalized from electric products and become difficult to dispose of these electronic materials. Therefore, the Department of Lifelong Learning and Extension Unit has organized a special talk on 'E-Waste Management' on 27<sup>th</sup> March, 2021 at 10am in online mode (Google meet)

Resource Person Ms. Rashmi Joshi, Environmental Consultant, elaborated the consequences on environment and animals of electronic material and also how it has affected human life. A beautiful presentation along with video clips of process of recycling E-waste was shown to students to understand the concept of E-waste management.

Total 100 students and faculty attended the program. Eventually, all students decided to collect electronic materials and once the college will reopen which is closed due to Covid19 pandemic, they will dispose of the waste with support of organization.

The session ended with question and answers, where madam cleared the doubts of students.

**Objective:** To create awareness about E-Waste Management concept among the students.

**Outcome:** Students determined to dispose of waste electronic materials through proper mechanism.

## Teaching Learning at Rural Area

There had been a lot of change in the field of education during Corona era, the schools and colleges are teaching online mode and students also for the first time are taking online lessons. This medium is readily available to urban students but, in rural areas it's difficult for students to access the online teaching learning due to network issues, lack of mobile and newer means of education etc. The Students of Department of Lifelong Learning and Extension Unit, Ms. Darshana Teli, Ms. Priyanka Suryavanshi noticed these problems at their native place and decided to teach these students.

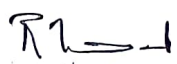

There were many difficulties in the beginning due to threat of corona. Ms Darshana and Ms. Priyanka met the parents of the children at the end of quarantine and interacted with them and assured them that they would teach the children with due care. They also provided masks and sanitizers to the students for their safety. Ms. Darshana undertook the task of educating the children of 5<sup>th</sup> to 7<sup>th</sup> in its Sakharpa village in Ratnagiri district and Priyanka in her village in Sangli following all the rules laid down by the Government. In this activity, the students were introduced to the online medium by interacting with them in a playful way so that they could get acquainted. The students have expressed their satisfaction that we have been able to contribute to the education of students during these difficulties times. The initiative taken by these girls in the frightening situation of such Corona infection is commendable, said the locals. Nearly, 08 students were benefited for the same.

**Objective:** To create awareness among students about their social responsibility towards society.

**Outcome:** Students came to know the problems faced by rural area students and determined to help as and when required to rural area students.

**हातात महागाड्या फोन नाही, नेटवर्कचा पत्ता नाही. अशा परिस्थितीत ग्रामीण भागातल्या मुलांचे शिक्षण थांबलेय. या मुलांच्या शिक्षणात पडलेला खंड लक्षात घेऊन दर्शना आणि प्रियांका या कॉलेज तरुणी पुढे सरसावल्या. स्वतः शिक्षिका होऊन मुलांना शिकवणाऱ्या दुर्गाविपयी...**

**रिमा शिंदे**  
muntainbox@gmail.com

शहरातील मुले ऑनलाईन शिक्षणाचा सरावली असली, तरी ग्रामीण भागातल्या विद्यार्थ्यांचे काय? अनेक मुलांकडे मोबाइल फोन, कम्प्युटर नाहीत. इंटरनेट कनेक्टिव्हिटीचा पत्ता नाही. अशा परिस्थितीत ग्रामीण भागातील मुलांना शिकवणे कसे? ही परिस्थिती प्रियांका सूर्यवंशी आणि दर्शना शिंदे या दोन तरुणींना अवलंब करून गेली. शेवटी त्यांना स्वतः पुस्तके घेत गावातल्या मुलांना शिकवायला सुरुवात केली. मुलांची संवाद साधत त्या मुलांना शिकवत आहोत.

पहिलेसमय पळविलेला संकटापेक्षा, दुसऱ्यापेक्षा के.बी.कॉलेज आणि योग्य कालावधीच्या विद्यार्थ्यांनी असलेल्या दर्शना शिंदे आणि प्रियांका सूर्यवंशी या विद्यार्थ्यांनी लोकांमध्ये आणवल्या गावी गेल्या होत्या. गावातले असलेली शिक्षणाची अवस्था त्यांनी पाहिली. सर्वच फारसाकडे स्मार्ट फोन नाहीत. नेटवर्क उपलब्ध होत नाही. हे यथेष्ट मुलांच्या परिचयाचे नसल्याने शाळांना त्यांना खूप अडचणी येत आहेत असा समज त्यांना दिसल्या. ही परिस्थिती लक्षात घेऊन त्यांनी स्वतः या मुलांना शिकवायचे ठरवले. या उपक्रमासाठी त्यांना बरेचजण प्रार्थना करीत. रोज दिवसेंदी आणि डॉ. वन मंडार खर्च प्रोत्साहन आणि मार्गदर्शन लाभले.

करीनामुळे मुलांच्या शिक्षणावर परिणाम झाले आहे. ग्रामीण भागातील मुलांना शिकवणे कठीण होत आहे हे लक्षात घेऊन, त्यांच्या शिक्षणात खंड पडू नये यासाठी आम्ही हा उपक्रम हाती घेतला. सुरुवातीला यामध्ये अनेक अडचणी आल्या, पण, आम्ही दोघी एकमेकांच्या संपर्कात होऊन, त्यामुळे एकमेकांशी संवाद साधून, शिक्षकांचे मार्गदर्शन घेऊन आम्ही हा उपक्रम चालवला.

ग्रामीण भागात विद्यार्थ्यांना नेटवर्कची सुविधा उपलब्ध नसल्यामुळे त्यांना ऑनलाईन शिक्षण घेण्यात अडचणी येत होत्या. म्हणून 'बी' या मुलांना ऑनलाईन पद्धतीने शिकवण्याचे ठरवले. सुरुवातीला करीनाच्या पीटीमुळे पालक तयार होत नव्हते. आम्ही त्यांना नेट संपर्कात आणितल्यावर त्यांनीही तयारी दाखवली. योग्य खबरदारी घेऊन सुरुवात आंतरका नियम पळवून आम्ही हा उपक्रम चालवला.

ये सततचीपेथील मुलांना शिकवण्याचा उपक्रम हाती घेतला होत. विद्यार्थ्यांना शिकवण्याची वेळी त्यापेची म्हणून त्यांच्याच खेळीमैळीने संवाद साधून मुलांना त्यांनी शिकवले आणि ऑनलाईन संपर्काची ओळखी करून दिली. विद्यार्थ्यांकडून ही या उपक्रमाला खूप चांगले प्रतिक्रमा मिळाले. ग्रामस्थांनीही या मुलांच्या पाठपुरावाचे कौतुक केले. दर्शना आणि प्रियांका या विद्यार्थ्यांनी कालावधी पाहिल्या चर्चापरसून सध्यांचे उपक्रमांचे सध्याही होत असताना.

## Say No to Crackers

On 10<sup>th</sup> and 11<sup>th</sup> November, 2020, the Department of Lifelong Learning and Extension Unit initiated 'Say No to Crackers' campaign on online mode. The main objective of the campaign was to make students aware of the bad effect of crackers on environment and human. Due to Corona Pandemic situation, the students initiated this activity with making beautiful posters on 'Say No to crackers' and also its negative effect on human being specially the patient who affected with Corona diseases.

Ms. Seelam and Ms Priyanka made posters and interacted with all students through online. There was enthusiasm among the students. It seemed to be a very successful campaign. Total 55 students were benefited for the same.

**Objectives:** To create awareness about importance of environment among the students

**Outcome:** Students have understood the importance of environment and determined to take all essential efforts to protect environment.

प्रदूषणाची समस्या दिवसेंदिवस वाढत चालली आहे. खर फटाक्यांमुळे खर पडते आणि हवेचा दर्जा अगदीच खालावतो. यदा कोरोना संसर्गाचा धोका लक्षात घेत फटाके न फोडण्याचं आवाहन केलं जात आहे. हेच लक्षात घेऊन के. बी कॉलेजतर्फे विद्यार्थ्यांमध्ये जनजागृती करण्यासाठी 'से नो टू क्रॅकर्स' या ऑनलाइन कार्यक्रमाचं आयोजन केलं होतं. फटाके फोडू नये, प्रदूषण थांबवा, पर्यावरणात दिवाळी साजरी करा असे संदेश देणारे अफर्के

## जनजागृतीचा ऑनलाइन प्रयत्न

पोस्टर तयार करून ते या कार्यक्रमात सादर केले. फटाके फोडण्यामुळे करोना रुग्णांना व वृद्ध व्यक्तींना ध्वनी आणि वायू प्रदूषणाचा मोठ्या प्रमाणात त्रास होऊ शकतो. हे लक्षात घेऊन फटाके न फोडण्याचं आवाहन सादर करण्यातून भरपूरत आले. कुठिय रीत यावरून तयार केलेल्या दिव्यऐक्या पर्यावरणातून पल्लव वापरण्या असा संदेश देण्यात आला. या कार्यक्रमाचा विद्यार्थ्यांनी जाल संस्थेने सहभाग घेतला.

“यदा फटाकेमुक्त दिवाळी साजरी करण्याचं आवाहन करण्यात येत आहे. यादृष्टीनं विद्यार्थ्यांमध्ये जागरूकता निर्माण करता यावी यासाठी या ऑनलाइन कार्यक्रमाचं आयोजन केलं होतं. विद्यार्थ्यांमार्फत समाजातही जनजागृती होईल आणि दिवाळी पर्यावरणातून पल्लवीन साजरी होईल. प्रियोका सूर्यवंशी, दर्शना तेली, सोलम शुक्ला या विद्यार्थिनींनीमुळे हा उपक्रम परास्वीरित्या चार पडला.

- डॉ. उषा भंडारे, डी. एल. एल विभाग प्रमुख

“से नो टू क्रॅकर्स' या कार्यक्रमातून वातावरण अनुभव मिळाला. या कार्यक्रमात विद्यार्थ्यांनीही वातावरण प्रतिपाद दिला. तसंच या कार्यक्रमातून जागरूकता निर्माण झाली.

- सीतल शकुल, डी. एल. एल विभाग विद्यार्थी प्रमुख

## A Special Talk on Green Initiative for Healthy Life

We are at war with the pandemic of Corona. School and colleges are closed. The physical presence at school and colleges are restricted to the students. The teachers have interacted with the students through online mode. The different activities which are feasible are organized through online by using different tools. On 5<sup>th</sup> June 'Environment Day' was celebrated through online mode. Various activities are conducted like plantation of sapling and another awareness campaign on the environment. The importance of the environment does not revolve around just the global environment day. It is actually necessary today to make the environment a part of our life styles. On 5<sup>th</sup> June, the Department of Lifelong Learning and Extension Unit took initiative in association with IQAC and organized a special talk on 'Green initiative for Healthy Life' at 10am through online Google meet platform.

Ms. Rashmi Joshi, an Environmental Consultant working for the last 10 years, was the guest speaker on the eve of World Environment Day. Madam has elaborated on how we can take initiative and contribute to protecting the environment from its degradation. Madam provided green tips to improve our health and lifestyles and emphasized on important aspects such as water conservation, E-waste management, Composting, sapling plantation, etc. At the end of the program, students took oath of non-use of plastic. In all 65 students were attended program and availed the benefit of it.

## Gender Sensitization

WOMEN DEVELOPMENT CELL organized a lecture on "GENDER SENSITIZATION" on 1<sup>ST</sup> December 2020. The objective of the activity was to make the students understand the fact that equality is the essence of democracy. Democracy becomes hollow in the absence of equality. Gender equality should be the battle cry of today's democratic India. Mrs Urmila Salunkhe [Member of Stree mukti Sanghatana] guided us about how gender sensitization takes place in the society, such as socialization which includes family and society, education, media and language. This lead us to think how much a person's upbringing may affect a person's thought process. Through the activity, the students touched many issues related to gender equality, like education of girls and boys, equal voting rights, honoring the space of both the genders, to be sensitive towards the problems faced by them etc. The participants participated actively in the open house discussion and were appreciative about getting an opportunity to know and discuss gender sensitivity and implementation of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal), Act 2013. Around 100 students attended this lecture. Government of India is implementing various programs/schemes and legislations to address various forms of gender discrimination. The root cause of gender discrimination is the patriarchal mind set prevalent in the Indian society. Though this mind set is changing with urbanization and education, still there is long way to go for a permanent change in the scenario.

**Objective** - To create awareness about gender sensitization

**Outcome** – Students aware about gender equality, gender sensitization
