TECHNOSERVE

BUSINESS SOLUTIONS TO POVERTY

This document constitutes a Memorandum of Understanding (MoU) between TNS India Foundation and K B College of Arts and Commerce.

Background

TNS India Foundation (TNSIF), a Section 25 Company engaged in the activities of charitable nature is conducting "Project Urja" – a youth employability program for enhancement of employability and workplace skills for deserving youth.

1. In this connection, TNSIF intends to be associated and work closely with K B College of Arts and Commerce to conduct employability training and career counseling sessions for the final year college students. This will include activities through the year, till students are placed 10-12 months after their final year examinations. Features of the program are as follows:
2. 80-100 hour program including Personal Effectiveness (goal setting, interpersonal relationships), Personal Finance, Professional Effectiveness (how to choose right career option, how to apply for job, tools-CVs, cover letter- etc.), Business Communication (effective communication with co-workers and customers), Career Readiness (orienting students to jobs matching their skill sets and exposure to a career path) and Work Readiness (Professionalism, Work Ethics, Email Etiquettes, Workplace dynamics – etc.)
3. The program also includes individual student counselling during the program, post training, pre-placement and also post placements.
4. There is no cost for students to attend the above mentioned training.
5. Each training batch size will have a maximum of 60 students. Sessions of duration 2 hours each to be conducted 5 days/week. Trainings are to be conducted for 2 or more batches in one day through one TechnoServe trainer.
6. Counselling support is available on training days for providing career guidance to students who are enrolled in this program.
7. Students will be provided a certificate on successful completion of course with minimum attendance criteria of 90%.
8. Students will be further supported in job linkages and placements from the time of training completion till they are placed i.e. 6-10 months after their training is complete.
9. College is expected to support the successful training and placements of all students, should they take up this service with TechnoServe.

For this purpose, TNSIF requires support of the college in the following areas:

1. Facilitating discussions and engagement with the 2019 current third year degree students and 2018 graduates where feasible. This involves the following:
 - a. Assistance in batch scheduling with ongoing final year classes.
 - b. Support in allocating batches (of 55-60 students approximately) per trainer for optimum utilization of resources and training effectiveness.
2. Infrastructure support for the following:
 - a. Training facility (a training room where 60 students could be trained). Training methodology requires some space in the middle of the room for conducting student activities.
 - b. Space for the career counsellor/ trainer who would be available in college on days of training.
 - c. Availability of classroom to conduct refresher sessions before the pre placement begins in the months of Dec-Feb

TECHNOSERVE

BUSINESS SOLUTIONS TO POVERTY

- d. Projector and speakers on need basis which are required to conduct few video based sessions.
- e. Require college support to conduct a parent engagement session in the college premises.
- f. Provide 100-200 students for training whom TechnoServe will screen.

Upon a request by TNSIF for this support, **K B College of Arts and Commerce** has agreed to support and provide the appropriate assistance to TNSIF, as mentioned below.

Based on the above, this MOU lays out immediate next steps to be taken by both parties.

TNSIF agrees to -

1. Conduct Orientation sessions to make students aware about the program and register their interest.
2. Engage with students and form batches based on selection criteria for conducting the training program.
3. Conduct the Employability Skills training program in College premises.
4. Provide career counselling support to students enrolled in this program.
5. Facilitate further linkages with vocational training partners and employers for interested students.
6. Bi weekly placement reports and monthly placement reports of students linked to job opportunities will be provided to the college once placement activities commence.
7. Helpline facility will be provided to the students to address their queries during training, post training and post placement.

K B College of Arts and Commerce agrees to -

1. Make classroom(s) available to train students in batches of 55-60, which should be ideal to cover 2 batches per day. If more students express interest for this period, we may create another batch after this batch. The classroom should be equipped with board and AV system when required.
2. Make table space available for career counseling.
3. Providing one contact point who could be approached for any support (student engagement) related to this program.
4. This MOU is neither a contract, nor is it legally binding in any way, nor does it commit any financial expenditure from or for either party.
