Bridge Course in Mathematics: 2022-23

Report

The Department of Mathematics, Statistics and Computers organized a Bridge course in Mathematics and Statistics for the First year BCom students.

Duration: 8th August 2022 to 24th August 2022

Total hours:10

Total students registered: 105

Objective: Majority students of FYBCom opt for Secretarial Practice subject instead of Mathematics in Junior college- XI and XII Standard level. These students find Mathematical and Statistical Techniques difficult initially as the degree course begins. The bridge course is organized with an objective to acquaint the students with fundamentals of Mathematics so that they overcome the fear of the subject and become comfortable with the calculations.
